

NH CHAPTER 36

REGIONAL PLANNING COMMISSIONS

Review of Developments of Regional Impact

36:54 Purpose. – The purpose of this subdivision is to:

- I. Provide timely notice to potentially affected municipalities concerning proposed developments which are likely to have impacts beyond the boundaries of a single municipality.
- II. Provide opportunities for the regional planning commission and the potentially affected municipalities to furnish timely input to the municipality having jurisdiction.
- III. Encourage the municipality having jurisdiction to consider the interests of other potentially affected municipalities.

36:55 Definition. – In this subdivision "development of regional impact" means any proposal before a local land use board which in the determination of such local land use board could reasonably be expected to impact on a neighboring municipality, because of factors such as, but not limited to, the following:

- I. Relative size or number of dwelling units as compared with existing stock.
- II. Proximity to the borders of a neighboring community.
- III. Transportation networks.
- IV. Anticipated emissions such as light, noise, smoke, odors, or particles.
- V. Proximity to aquifers or surface waters which transcend municipal boundaries.
- VI. Shared facilities such as schools and solid waste disposal facilities.

36:56 Review Required. – A local land use board, as defined in RSA 672:7, upon receipt of an application for development, shall review it promptly and determine whether or not the development, if approved, reasonably could be construed as having the potential for regional impact. Doubt concerning regional impact shall be resolved in a determination that the development has a potential regional impact.

36:57 Procedure. –

- I. Upon determination that a proposed development has a potential regional impact, the local land use board having jurisdiction shall afford the regional planning commission and the affected municipalities the status of abutters as defined in RSA 672:3 for the limited purpose of providing notice and giving testimony.

II. Within 144 hours of reaching a decision regarding a development of regional impact, the local land use board having jurisdiction shall, by certified mail, furnish the regional planning commission and the affected municipalities with copies of the minutes of the meeting at which the decision was made. The local land use board shall, at the same time, submit an initial set of plans to the regional planning commission, the cost of which shall be borne by the applicant.

III. At least 14 days prior to public hearing, the local land use board shall notify, by certified mail, all affected municipalities and the regional planning commission of the date, time, and place of the hearing and their right to testify concerning the development.

36:58 Applicability. – The provisions of this subdivision shall supersede any contrary or inconsistent provisions of local land use regulations enacted under RSA 155-E and RSA 674.
